

Camp Woodstock YMCA

Campaign Goal
\$91,000

All funds stay within the community

Your generous support of our YMCA Strong Kids Campaign makes it possible for us to provide life-enriching opportunities for kids, families, and individuals who need just a little help.

"Sharing the joy" as we say, makes significant differences in the everyday lives of people less fortunate than us.

Please take a moment to see what a contribution from those of us who are so blessed can do...and share the joy!

A gift of \$25,000 would enable Camp Woodstock to renovate two cabins into beautiful year-round facilities to serve youth for generations.

Make a gift and invest in your community.

it's amazing
what one gift can do

“You Got Frogs?”

On a recent urban youth retreat, Jayquan, a 12-year-old boy, was bursting with anticipation on the bus ride to camp. He knew what he was leaving behind in Hartford, but he wasn't sure what he would find ahead at Woodstock. This was something new. On arrival, he jumped enthusiastically out of the bus, beamed at the waiting staff, and exclaimed loudly, “You got frogs?”

It was a great question to us, but an even better statement about him. Yes, we have frogs, and a whole lot more. We have a safe place, a beautiful place, and so many things to do. Things like canoeing, team building, archery, crafts, and s'mores. We have fresh air, towering pine trees, a clear pristine lake, yurts to sleep in, campfires to light, and our exceptional staff to learn values from.

Yes, “We got frogs.”

Caring. Honesty. Respect.
Responsibility.
That's the Y.
